BIRTHDAYS

ADRENALINE VAULT

Common FAQ's

Can all party guests climb in the bouldering area?

All children aged 12+ are welcome to climb in the bouldering area. Due to our safety regulations, a Birthday Host is required to supervise party guests aged 11 and under when bouldering.

What should I bring?

Bring a birthday cake, celebration food and decorations. As rental climbing shoes are provided, climbers must bring their own socks for hygienic purposes. Our BBQ is free to hire, simply mention your need for it in your booking email and we will ensure it is ready for use on the day.

How do I secure my booking?

To make a booking, please visit www.adrenalinevault.com.au/kids-birthday-party and complete the booking form. A non-refundable deposit of \$100 is required to secure your booking. Payment details will be emailed to you at a later stage.

Where can I get the birthday invitations?

Upon booking confirmation, a birthday invitation pdf will be attached.

Where can I obtain a waiver form for my party guests?

All climbers and belayers are required to complete a waiver form prior to participating. This can be accessed at www.adrenalinevault.com.au/waiver-form/.

Is rock climbing safe?

Adrenaline Vault provides a fun and safe environment for climbers. A safety induction is provided to all first time visitors (this can take up to 15 minutes). In addition, there are impact-absorbing landing surfaces under our climbing walls.

How does the payment work?

On the day of your booking you will pay for the number of climbers you had on the day. We do require a payment for a minimum of 6 climbers (if only 5 climbers participate, 6 will still need to be paid for). Your \$100 deposit will then be taken off the final cost of the day.

There are no costs associated with belaying or spectating.
